

WHAT CAN YOU DO TO HELP MISSISSIPPI IN A SINGLE DAY?

On October 24, 2015, Mississippi will come together for 24 hours of giving. This powerful giving experience is a unique opportunity to highlight how Mississippians can work together to share commitments, build stronger communities, and improve the quality of life for all citizens in our communities.

During the Day of Giving, participating organizations and donors will be able to utilize new online giving tools and strategies that will generate excitement and multiply resources for institutions doing great work all over the state of Mississippi.

How can your organization get involved?

- 1 Register your organization to take part in Mississippi's Day of Giving 2015 at MSDayofGiving.org.
- 2 Become part of the conversation on social media and use Facebook and Twitter to engage donors and share information about your fundraising efforts.
- 3 Spread the word to other organizations you work with or who inspire you and your constituents and encourage others to sign up and participate.
- 4 Give back to Mississippi during its first ever Day of Giving!

WHAT'S IN IT FOR YOU?

Participating in the Mississippi Day of Giving is a great way to boost your organization's efforts to raise funds, attract volunteers, and share your success with people across the state. Mississippi Day of Giving gives all organizations an opportunity to reach thousands of new potential donors and provides the type of visibility that only a statewide effort can generate.

Who is behind the Mississippi Day of Giving?

The Mississippi Day of Giving is part of a larger effort to align the state's resources towards a common goal and facilitate collaboration to solve community problems. It is spearheaded by the Mississippi Arts Commission, Mississippi Center for Nonprofits and Volunteer Mississippi. This developing collaborative, called Engage Mississippi, seeks to ensure the creative and charitable economy in Mississippi has the tools to continue playing a critical role in the economic health of communities in our state.
